- 1 Successful applicants may be assigned to positions at **any of the three campuses**.
- 2 Although a graduate student's preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment.
- 3 All Teaching Assistants should be prepared to travel to the campus where the course to which they have been assigned is offered **on a weekly basis or more frequently as required**.
- 4 While applicants may state their preferences for specific courses listed on the Department's job posting, the Department reserves the right to assign TAs to whatever courses it feels best suit the candidate's qualifications and departmental needs. TAs will only be assigned to courses in fields in which they are or should be qualified to assist.
- 5 The Department cannot guarantee that TA assignments will be split evenly over the two academic terms. TA assignments may be confined to or concentrated in a single semester. These jobs are posted in accordance with the CUPE 3902 Units 1 and 3 Collective Agreements.
